SUMMER INTERNSHIP CERTIFICATE

This is to certify that Ms. Savithri V Mangalam, a student of B.Tech Mechanical Engineering at National Institute of Technology, Agartala, successfully completed a Summer Internship at the Human-Centered Robotics (HCR) Laboratory, Department of Mechanical Engineering, Indian Institute of Technology Gandhinagar, under my supervision from 16/05/2026 to 16/07/2026.

During the internship, she contributed to the Hybrid Actuation Paradigm in the Back-Assist Exoskeleton for Symmetric Loading Conditions, which involved the design, development, implementation, and experimental evaluation of wearable robotic systems. Her work included literature review, mechanical design, prototype fabrication, electronics integration, system assembly, component testing, and technical documentation.

Ms. Savithri successfully completed the internship and carried out the assigned responsibilities with dedication and professionalism throughout the tenure.

Sincerely,

Vineet Vashista
